Annotation: The Index is published in two physical volumes and sold as a set for \$250.00. As America's geography and societal demands expanded, the topics in The Etude magazine (first published in 1883) took on such important issues as women in music; immigration; transportation; Native American and African American composers and their music; World War I and II; public schools; new technologies (sound recordings, radio, and television); and modern music (jazz, gospel, blues, early 20th century composers) in addition to regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in The Etude serves as a companion to E. Douglas Bomberger's 2004 publication on the music in The Etude. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much more. The Index is a valuable tool for research, particularly in the music culture of American in the late nineteenth and early twentieth centuries. With titles of these articles available, the doors are now open for further research in the years to come.

Tagore S English Writings Originals And Translations Have Not Received The Attention That They Deserve. The Purpose Of This Edition Is To Make The English Writings Of Tagore Available To The Widest Possible Range Of Readers Interested In The Writings Of Tagore All Over The World. With Just The Bare, Minimum Information Necessary For Appreciating The Writings, And Leave The Critical Assessment To The Readers Themselves. There May Be Two Possible Reasons For The Neglect Of Tagore S English Writings. Firstly, Tagore S Prolific Output, Shakespearean Felicity And Protean Plasticity As A Bengali Poet, Who, Though Well-Versed In English, Chose To Write In The Medium Of His Mother Tongue For Nearly The First Fifty Years Of His Life, And There Is Hardly Any Literary Form That He Did Not Touch Upon And Turn Into Gold. His Creative Genius Found Expression In Poems, Plays, Novels, Essays, Short Stories, Satirical Pieces, Textbooks For Children, And Songs Of All Kinds. The Only Literary Form That He Did Not Try Is Epic. But In His Long, Eventful And Creative Eighty Years Of Life He Virtually Lived An Epic. It Is Largely Due To His Mighty Stature As A Bengali Poet That Nobody Really Bothered About His English Writings And His Own Translations Of His Own Writings. Secondly, It Is Owing To The Supposedly Poor Quality Of His Translations Subsequent To The Translation Of Gitanjali. It Was Only After Tagore Received The Nobel Prize For Literature In 1913 That There Was A Growing Demand For His Writings In The West, And As Tagore Was Not Apparently Satisfied By The Translations That Others Mainly His Admirers Made, He Began To Translate His Writings Himself. But The Tremendous Haste With Which He Had To Translate, Possibly Affected The Quality Of Translations. Come What May, The Point Is Whether Tagore S English Translations Are Good Or Bad, Whether The Translation Furthered His Reputation Or Damaged It, Is Immaterial. The Fact Of The Matter Is That They Are His, And His Own Translation Of Whatever Quality It May Be Is More Valuable To A Tagore Lover Than The Best Translation Made By Somebody Else, As Van Gogh S One Original Single Scratch Is More Valuable Than The Best Possible Copy By Some Other Artist. The Value Of Tagore S English Writings Lies Here : They Constitute An Important Part Of His Total Oeuvre, Add A New Magnificent Dimension To It And Offer Us A Glimpse Into The Mystique Of The Creative Anxiety That Could Have Haunted Even The Greatest Writer Of The Twentieth Century, About His Possible Reception In An Alien Culture.

A timeless tale of complex emotional relationships from an acknowledged master Soon to be a major motion picture directed

by Rituparno Ghosh, Chokher Bali is Nobel Prize-winning author Rabindranath Tagore's classic exposition of an extramarital affair that takes place within the confines of a joint family. It is the story of the rich, flamboyant Mahendra and his simple, demure, beautiful wife Asha—a young couple who are befriended by the pragmatic Bihari. Their cosy domestic scenario undergoes great upheaval with the introduction of the vivacious Binodini, a young, attractive widow who comes to live with them. Asha and Binodini become bosom pals. Binodini is initially drawn to Bihari but then begins to respond to the advances of Mahendra, who has become obsessively attracted to her. After several twists and turns, Binodini elopes with Mahendra, leaving the entire family in turmoil. Bihari pursues them to Allahabad and succeeds in bringing them back to Kolkata, but the question remains: can a marriage that has once been ruptured by breach of trust be mended again into a meaningful relationship? On the one hand, A Grain of Sand: Chokher Bali is a sensational account of two illicit relationships: Mahendra's infatuation with Binodini which blinds him to everything else, and Binodini's secret passion for Bihari of which she is never able to speak. On the other hand, it is a complex tapestry woven by the emotional interplay between five finely etched characters: the impulsive Mahendra, his adoring mother Rajlakhmi, the frail and sensitive Asha, the strong, silent Bihari, and the self-willed and irresistibly attractive Binodini. A compelling portrayal of the complexity of relationships and of human character, this landmark novel is just as powerful and thought-provoking today as it was a hundred years ago, when it was written.

It was hot at Padachina even for a summer day. In this village were many houses, but not a soul could be seen anywhere. The bazaar was full of shops and the lanes were lined with houses built either of brick or of mud. Every house was quiet. The shops were closed, and no one knew where the shopkeepers had gone. Even the street beggars were absent. The weavers wove no more. The merchants had no business. Philanthropic persons had nothing to give. Teachers closed their schools. Things had come to such a pass that children were even afraid to cry. The streets were empty. There were no bathers in the river. There were no human beings about the houses, no birds in the trees, no cattle in the pastures. Jackals and dogs morosely prowled in the graveyards and in the cremation grounds. One great house stood in this village. Its colossal pillars could be seen from a distance. But its doors were closed so tight that it was almost impossible for even a breath of air to enter. Within the house a man and his wife sat deeply absorbed in thought. Mahendra Singh and his wife were face to face with famine. The year before the harvests had been below normal. So rice was expensive this year and people began to suffer. Then during the rainy season it rained plentifully. The villagers at first looked upon this as a special mercy of God. Cowherds sang in joy, and the wives of the peasants began to pester their husbands for silver ornaments. All of a sudden, God frowned again. Not a drop of rain fell during the remaining months of the season. The rice fields dried into heaps of straw. Here and there a few fields yielded poor crops, but government agents bought these up for the army. So people began to starve again. At first they lived on one meal a day. Soon, even that became scarce, and they began to go without any food at all. The crop was too scanty, but the government revenue collector sought to advance his personal prestige by increasing the land revenue by ten per cent. And in dire misery Bengal shed bitter tears. Beggars increased in such numbers that charity soon became the most difficult thing to practise. Then disease began to spread. Farmers sold their cattle and their ploughs and ate up the seed grain. Then they sold their homes and farms. For lack of food they soon took to eating leaves of trees, then grass and when the grass was gone they ate weeds. People of certain castes began to

eat cats, dogs and rats.

 Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.
