All Things Georgian Rodale Books

Eingebettet in einer viktorianischen Gartenanlage regt der berühmte Highgate Friedhof in London seit über 150 Jahren die Imagination der Menschen an. Begleitet von einer Einführung in die Geschichte und Bedeutung des Friedhofs betrachten unterschiedliche Autorinnen und Autoren die mit diesem Ort verbundenen Praktiken und gesellschaftlich-religiösen Vorstellungen. Die 14 Beiträge behandeln sowohl gegenwärtige als auch historische Aspekte: das landschaftliche und architektonische Setting des Friedhofs, die religiösen Zeichen und Symbole der Grabsteine, das Zusammenspiel zwischen der Parkanlage und den Naturdarstellungen in den Monumenten, die unterschiedlichen sozialen und religiösen Bedeutungen von Highgate in Literatur, Film und Friedhofsführungen. "Highgate Cemetery. Image Practices in Past and Present" bietet neue und überraschende Ansichten eines der faszinierendsten Orte Londons. Mit Beiträgen von Dolores Zoé Bertschinger, Carla Danani, Natalie Fritz, Anna-Katharina Höpflinger, Ann Jeffers, Marie-Therese Mäder, Alexander Darius Ornella, Niels Penke, Daria Pezzoli-Olgiati, Sean Ryan, Alberto Saviello, Baldassare Scolari, Paola van Wyss-Giacosa, Michael Ulrich

The Fair Fight Canongate Books

Female Gladiators examines the legal and social history of the right of women to participate with men in contact sports. The impetus to begin legal proceedings was the 1972 enactment of Title IX, which prohibited discrimination in educational settings, but it was the Equal Protection Clause of the U.S. Constitution and the equal rights amendments of state constitutions that ultimately opened doors. Despite court rulings, however, many in American society resisted—and continue to resist—allowing girls in dugouts and other spaces traditionally defined as male territories. When the leagues continued to bar girls simply because they were not boys, the girls went to court. Sarah K. Fields examines the legal and cultural conflicts over gender and contact sports that continue to rage today.

The Legality of Boxing Routledge

In the past, while visiting the First World War battlefields, the author often wondered where the various Victoria Cross actions took place. He resolved to find out. In 1988, in the midst of his army career, research for this book commenced and over the years numerous sources have been consulted. Victoria Crosses on the Western Front – Somme 1916 is designed for the battlefield visitor as much as the armchair reader. A thorough account of each VC action is set within the wider strategic and tactical context. Detailed sketch maps show the area today, together with the battle-lines and movements of the combatants. It will allow visitors to stand upon the spot, or very close to, where each VC was won. Photographs of the battle sites richly illustrate the accounts. There is also a comprehensive biography for each recipient covering every aspect of their lives 'warts and all' – parents and siblings, education, civilian employment, military career, wife and children, death and burial/commemoration. A host of other information, much of it published for the first time, reveals some fascinating characters, with numerous links to many famous people and events.

Iron Men, Wooden Women ABC-CLIO

"When Women Stood is an unapologetically new sport and social history that unveils the often-overlooked chronicle of women and their fight for equality. From early Amazons and suffragists to modern-day athletes and social influencers, this is an eye-opening history of women told through the always-influential world of sports"--

Female Gladiators Legendary Comics

The sporting memoir of an unlikely pugilist's attempt to take on Australia's amateur boxing circuit.

A Brief History of American Sports Penguin

'Victorian Sensation' sheds light on the Victorians' fascination with celebrity culture and their obsession with gruesome and explicit reportage of murders and sex scandals. With a vivid cast of characters, ranging from the serial poisoner William Palmer, to Charles Dickens, Jumbo the Elephant, distinguished politicians and even the Queen herself, this passionate analysis of the period reveals how the reporting methods of our own popular media have their origins in the Victorian press, and shows that sensation was as integral a part of society in the nineteenth century as it is today.

The Sweet Science of Bruising SAGE

Gracey Reiter confronts a painful past and an intimidating future

with the approaching death of her father, Henry Mueller, the self-described "last Mohican" from the chaotic gene pool known as the Walsh-Mueller family. The present holds the answer, and the last opportunity for Gracey to understand her father's alcoholism, her mother's infidelity, and her siblings' version of the truth. The voices of the past give Gracey the courage to find her voice. Using biting humor and gut-level truths for the first time in her life, Gracey walks across the land mines created by a crippling family legacy. Henry's funeral and the Irish wedding of Therese Mueller, Gracey's and her husband Mark Mueller's daughter, coincide by a few weeks and serve as a completion of the family circle. With the closing of one door, and the opening of the future, Gracey finds forgiveness by realizing six generations of the Walsh-Mueller family, saints and sinners, criminals and heroes, the abandoned and the celebrated, are forever family, forever bound by blood and the dreams of an Irish girl, Patricia Walsh Mueller. A Good Girl examines the numbing work of raising children and burying parents through six generations.

Steampunk JHU Press

"This handbook contains useful reviews of major theoretical frameworks and research topics in sports studies—especially sport sociology—written by a star-studded array of internationally recognized experts. The scope and depth of this volume demonstrates the intellectual maturity of this area. Each chapter provides an informative historical context and an organized conceptual framework for making sense of the relevant scholarly literature. The book will be particularly useful to graduate students, advanced undergraduates, and college and university faculty who are seeking to gain rapid, informed access to the literature." --Janet C. Harris, Professor and Chair, Dept. of Kinesiology and Physical Education, California State University, Los Angeles This vital new Handbook marks the development of sports studies as a major new discipline within the social sciences. Edited by the leading sociologist of sport, Eric Dunning, and author of the best selling textbook on sport in the USA, Jay Coakley, it both reflects and richly endorses this new found status. Key aspects of the Handbook include: an inventory of the principal achievements in the field; a guide to the chief conflicts and difficulties in the theory and research process; a rallying point for researchers who are established or new to the field, which sets the agenda for future developments; a resource book for teachers who wish to establish new curricula and develop courses and programmes in the area of sports studies. With an international and inter-disciplinary cast of contributors the Handbook of Sports Studies is comprehensive in scope, relevant in content and far-reaching in its discussion of future prospect.

Daily Life in Victorian England Pen and Sword Military

This is the extraordinary story of the British birthplace of a worldwide sport of boxing in London's East End.

On the Chin John Wiley & Sons

The surprising roots of the self-defense movement and the history of women's empowerment. At the turn of the twentieth century, women famously organized to demand greater social and political freedoms like gaining the right to vote. However, few realize that the Progressive Era also witnessed the birth of the women's self-defense movement. It is nearly impossible in today's day and age to imagine a world without the concept of women's self defense. Some women were inspired to take up boxing and jiu-jitsu for very personal reasons that ranged from protecting themselves from attacks by strangers on the street to rejecting gendered notions about feminine weakness and empowering themselves as their own protectors. Women's training in self defense was both a reflection of and a response to the broader cultural issues of the time, including the women's rights movement and the campaign for the vote. Perhaps more importantly, the discussion surrounding women's self-defense revealed powerful myths about the source of violence against women and opened up conversations about the less visible violence that many women faced in their own homes. Through self-defense training, women debunked patriarchal myths about inherent feminine weakness, creating a new image of women as powerful and self-reliant. Whether or not women consciously pursued self-defense for these reasons, their actions embodied feminist politics. Although their individual motivations may have varied, their collective action echoed through the twentieth century, demanding emancipation from the constrictions that prevented women from exercising their full rights as citizens and human beings. This book is a fascinating and comprehensive introduction to one of the most important women's issues of all time. This book will provoke good debate and offer distinct responses and solutions.

Men in the American Women's Rights Movement, 1830-1890 Rowman & Littlefield

The most comprehensive social history of Victorian England to date.

Handbook of Sports Studies Rowman & Littlefield

This lively and intriguing study looks at the way sports both reflected and shaped Victorian society. • Excerpts from 19th-century English writings on sports allow the Victorians speak in their own words about the meaning of sports in their lives • Illuminating and entertaining illustrations of many aspects of Victorian sports include humorous spoofs on sports from Punch magazine • A glossary explains the sometimes arcane terms used in Victorian sports

London's Shadows HarperCollins

Records of modern female boxing date back to the early eighteenth century in London, and in the 1904 Olympics an exhibition bout between women was held. Yet it was not until the 2012 Olympics—more than 100 years later—that women's boxing was officially added to the Games. Throughout boxing's history, women have fought in and out of the ring to gain respect in a sport traditionally considered for men alone. The stories of these women are told for the first time in this comprehensive work dedicated to women's boxing. A History of Women's Boxing traces the sport back to the 1700s, through the 2012 Olympic Games, and up to the present. Inside-the-ring action is brought to life through photographs, newspaper clippings, and anecdotes, as are the stories of the women who played important roles outside the ring, from spectators and judges to managers and trainers. This book includes extensive profiles of the sport's pioneers, including Barbara Buttrick whose plucky carnival shows launched her professional boxing career in the 1950s; sixteen-year-old Dallas Malloy who single-handedly overturned the strictures against female amateur boxing in 1993; the famous "boxing daughters" Laila Ali and Jacqui Frazier-Lyde; and teenager Claressa Shields, the first American woman to win a boxing gold medal at the Olympics. Rich in detail and exhaustively researched, this book illuminates the struggles, obstacles, and successes of the women who fought—and continue to fight—for respect in their sport. A History of Women's Boxing is a must-read for boxing fans, sports historians, and for those interested in the history of women in sports.

Boxing NYU Press

From the voyage of the Argonauts to the Tailhook scandal, seafaring has long been one of the most glaringly male-dominated occupations. In this groundbreaking interdisciplinary study, Margaret Creighton, Lisa Norling, and their co-authors explore the relationship of gender and seafaring in the Anglo-American age of sail. Drawing on a wide range of American and British sources—from diaries, logbooks, and account ledgers to songs, poetry, fiction, and a range of public sources—the authors show how popular fascination with seafaring and the sailors' rigorous, male-only life led to models of gender behavior based on "iron men" aboard ship and "stoic women" ashore. Yet Iron Men, Wooden Women also offers new material that defies conventional views. The authors investigate such topics as women in the American whaling industry and the role of the captain's wife aboard ship. They explore the careers of the female pirates Anne Bonny and Mary Read, as well as those of other women—"transvestite heroines"—who dressed as men to serve on the crews of sailing ships. And they explore the importance of gender and its connection to race for African American and other seamen in both the American and the British merchant marine. Contributors include both social historians and literary critics: Marcus Rediker, Dianne Dugaw, Ruth Wallis Herndon, Haskell Springer, W. Jeffrey Bolster, Laura Tabili, Lillian Nayder, and Melody Graulich, in addition to Margaret Creighton and Lisa Norling.

Victorian Sensation Springer Nature

"A brazen, brawny, sexy standout of a historical thrill ride, The Best Bad Things is full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco's debut will leave you thirsty for more." —Lyndsay Faye, author of The Gods of Gotham A vivid, sexy barn burner of a historical crime novel, The Best Bad Things introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective Agency—but dismissed for bad behavior and a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the

magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the circling Pinkerton agents to keep them from closing in. Alma's enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine's bed. But it's getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction.

**Highgate Cemetery** Anthem Press

New York Times Bestselling Author Sarah MacLean returns with the next book in the Bareknuckle Bastards series about three brothers bound by a secret that they cannot escape—and the women who bring them to their knees. *The Lady's Plan* When Lady Henrietta Sedley declares her twenty-ninth year her own, she has plans to inherit her father's business, to make her own fortune, and to live her own life. But first, she intends to experience a taste of the pleasure she'll forgo as a confirmed spinster. Everything is going perfectly...until she discovers the most beautiful man she's ever seen tied up in her carriage and threatening to ruin the Year of Hattie before it's even begun. *The Bastard's Proposal* When he wakes in a carriage at Hattie's feet, Whit, a king of Covent Garden known to all the world as Beast, can't help but wonder about the strange woman who frees him—especially when he discovers she's headed for a night of pleasure . . . on his turf. He is more than happy to offer Hattie all she desires...for a price. *An Unexpected Passion* Soon, Hattie and Whit find themselves rivals in business and pleasure. She won't give up her plans; he won't give up his power . . . and neither of them sees that if they're not careful, they'll have no choice but to give up everything . . . including their hearts.

**Featherweight** Amberley Publishing Limited

Stevenson offers a concise and fascinating portrait of the intellectual lives of ordinary Americans from the Civil War through Reconstruction.

**Brazen and the Beast** Rowman & Littlefield

The first book of its kind dedicated to an assessment of the legality of boxing, *The Legality of Boxing: A Punch Drunk Love?* assesses the legal response to prize fighting and undertakes a current analysis of the status of boxing in both criminal legal theory and practice. In this book, Anderson exposes boxing's 'exemption' from contemporary legal and social norms. Reviewing all aspects of boxing - historical, legal, moral, ethical, philosophical, medical, racial and regulatory - he concludes that the supposition that boxing has a (consensual) immunity from the ordinary law of violence, based primarily on its social utility as a recognised sport, is not as robust as is usually assumed. It suggests that the sport is extremely vulnerable to prosecution and might in fact already be illegal under English criminal law outlines the physical and financial exploitation suffered by individual boxers both inside and outside the ring, suggesting that standard boxing contracts are coercive thus illegal and that boxers do not give adequate levels of informed consent to participate advocates a number of fundamental reforms, including possibly that the sport will have to consider banning blows to the head proposes the creation of a national boxing commission in the US and a similar entity in the United Kingdom, which together would attempt to restore the credibility of a sport long known as the red-light district of sports administration. An excellent book, it is a must read for all those studying sports law, popular culture and the law and jurisprudence.

**The Victorian Homefront** A&C Black

NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL *The Crimson Petal and the White* meets *Fight Club*: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of

comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.

**Fighting Sports, Gender, and the Commodification of Violence** MCD

Victoria's favourite humourist returns with a hilarious collection of observations on Island living. For more than twenty-five years, Jack Knox's weekly humour column has captured the essence of life in BC's picturesque capital city, a.k.a. Dysfunction-by-the-Sea. In *Fortune Knox Once*, as in his previous humour collections, Knox gathers together his favourite Time Colonist pieces that best sum up the absurdity of our times. The subject matter is all over the map: the lost art of handwriting, the sexiness of the Canadian accent, phone addiction, the Rogue Cow of Metchosin, ugly trucks, ugly people, a parody of end-of-school announcements, and a letter to Prince Harry. The chapter on Pi Day is some of the best math-based humour you will read all week. And while there are a dozen pieces on plague-related topics—from dog shortage to doomscrolling to the time Knox dropped his credit card into the saltchuck—COVID appears only in brief glimpses, like a moustache-twirling villain occasionally creeping onto the stage in an old-style British pantomime. Whether you are a born-and-bred Islander who thinks this is all completely normal, or a Mainland transplant lured by the myth of lower housing prices, *Fortune Knox Once* is the laugh we all need right now.
