The modern political landscape of Virginia bears little resemblance to the past. The commonwealth is a nationally influential swing state alongside stalwarts like Florida or Ohio. But with increased power comes greater scrutiny—and corruption. Governor Bob McDonnell received a jail sentence on federal corruption charges, later vacated by the U.S. Supreme Court. Corporate influence on the state legislature and other leaders resulted in numerous ethics violations. Scandal erupted at the prestigious University of Virginia when the school ousted its president amid political drama and intrigue. Author Jeff Thomas reveals the intersection of money, power and politics and the corrosive effect on government in a new era.

A hidden history of the South emerges when a worldly teacher leads Threestep, GA, to reinvent itself, setting in motion events that lead to triumph and tragedy for the black teenager who happens to be the smartest person in Piedmont County, Georgia, in 1938–39. As an epigraph from *The Souls of Black Folk* by W. E. B. Du Bois reminds us at the start of this novel, "Throughout history, the powers of single black men flash here and there like falling stars, and die sometimes before the world has rightly gauged their brightness." Protagonist Theo Boykin is a genius, an artist, an inventor, a Leonardo DaVinci-type, whose talents are sought after by local blacks and whites alike, but even this is not enough to save him. He falls victim to "the tragedy of ignorance and the damage caused by fear," in the words of poet Rita Dove—the first African American to serve as U.S. Poet Laureate and a member of the jury that conferred on The Cailiffs of Baghdad, Georgia the 2011 Anisfield-Wolf Award for books that "make a significant contribution to

our understanding of racism and our appreciation for the diversity of human cultures." You won't forget Theo Boykin, nor will you forget his friends the Cailiffs, especially Gladys, who tells this story with love and bewilderment, and the teacher, Miss Spivey, who changes all their lives.
