The Tribune began publication in 1875 in what was then Blount County. It was one of the earliest papers published in the area after the end of the Civil War. Cullman was founded by German immigrants after the establishment of the old South and North railroad in 1872. Cullman grew quickly and became a county of its own in 1877. The earliest surviving issues of the Tribune were microfilmed by the State Archives in Montgomery and the film was studied for all announcements of births, marriages, deaths, obituaries, and news important to the history and development of Cullman County. The result is a fascinating book which details the early lives of Cullman County settlers recorded in the pages of its very first newspaper.

Written for the adult players at the open-air Swan theatre in 1613, this masterpiece of Jacobean city comedy signals its ironic nature even in the title: chaste

maids, like most other goods and people in London's busiest commercial area, are likely to be fake. Money is more important than either happiness or honour; and the most coveted commodities to be bought with it are sex and social prestige.

Middleton interweaves the fortunes of four families, who either seek to marry their children off as profitably as possible, to stop having any more for fear of poverty, or to acquire some in order to keep their property in the family. Most prosperous is the husband who pimps his wife to a rich knight and lets him support the household with his alimony. Like many early modern critics of London's enormous growth, this play warned: the city is a monster that lives off the money the country produces.

Teen special agents investigate a deadly plane crash in the ninth book of the CHERUB series, which Rick Riordan says has "plenty of action." CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The Sleepwalker*, a commercial

plane explodes over the Atlantic Ocean leaving 345 people dead. Crash investigators suspect terrorism, but they aren't getting anywhere. But when a distressed twelve-year-old calls a police hotline and blames his father for the explosion, James Adams and his sister Lauren are assigned to befriend the boy to find out the shocking truth...

This book is written that you may better understand the purposes of God and the methods employed by him in bringing you and me into complete harmony with him. His purpose is to reconcile us fully spirit, soul, and body that we may stand before him without blemish and as pure and holy as he is. Will you let him? Will you let this mind be in you that was also in Christ Jesus (Philippians 2:5)? Are you willing to have your mind renewed by the Word and Spirit of God (Romans 12:2)? If so, you may be prompted by the Spirit to reexamine some of your preconceived

ideas and teachings. Your thinking, without a doubt, will be challenged by this book. This will prove to be a very healthy exercise that I promise will acquaint you more fully with the truth and depth of God's Word. We will begin with a rather lofty theme but immediately settle down to some stepping stones. These stepping stones will bring us, line upon line and precept upon precept, to the measure of the stature of the fullness of Christ (Ephesians 4:13). This book will help you understand our coming into full harmony with the person of God. Oh! That I might know him. Oh! That I might win the prize of the high calling! Is this the cry of your heart? We are told in Ephesians 4:13 that God has made provision for you and me to have the full knowledge of the Son of God. Does that excite you? Could it be that you have been apprehended by the Spirit to read this book?
