[Geoffrey Chaucer](#) National Geographic Books

This book is a lucid introduction and intelligent examination of Chaucer's narrative poetry.

[Chaucer and the Canterbury Tales](#) Princeton University Press
As literary scholars have long insisted, an interdisciplinary approach is vital if modern readers are to make sense of works of medieval literature. In particular, rather than reading the works of medieval authors as addressing us across the centuries about some timeless or ahistorical 'human condition', critics from a wide range of theoretical approaches have in recent years shown how the work of poets such as Chaucer constituted engagements with the power relations and social inequalities of their time. Yet, perhaps surprisingly, medieval historians have played little part in this 'historical turn' in the study of medieval literature. The aim of this volume is to allow historians who are experts in the fields of economic, social, political, religious, and intellectual history the chance to interpret one of the most famous works of Middle English literature, Geoffrey Chaucer's 'General Prologue' to the *Canterbury Tales*, in its contemporary context. Rather than resorting to traditional historical attempts to see Chaucer's descriptions of the *Canterbury* pilgrims as immediate reflections of historical reality or as portraits of real life people whom Chaucer knew, the contributors to this volume have sought to show what interpretive frameworks were available to Chaucer in order to make sense of reality and how he adapted his literary and ideological inheritance so as to engage with the controversies and conflicts of his own day. Beginning with a survey of recent debates about the social meaning of Chaucer's work, the volume then discusses each of the *Canterbury* pilgrims in turn. Historians on Chaucer should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history.

[Complete Works of Geoffrey Chaucer](#) Cosimo, Inc.

In the fourteenth century Geoffrey Chaucer, who served three kings as a customs official and special envoy, virtually invented English poetry. He did so by wedding the language of common speech to metrical verse, creating a medium that could accommodate tales of courtly romance, bawdy fabliaux, astute psychological portraiture, dramatic monologues, moral allegories, and its author's astonishing learning in fields from philosophy to medicine and astrology. Chaucer's accomplishment is unequalled by any poet before Shakespeare and—in *The Canterbury Tales* and *Troilus and Cressida*—ranks with that of the great English novelists. Both *The Canterbury Tales* and *Troilus and Cressida* are presented complete in this anthology, in fresh modern translations by Theodore Morrison that convey both the gravity and gaiety of the Middle English originals. The *Portable Chaucer* also contains selections from *The Book of Duchess*, *The House of Fame*, *The Bird's Parliament*, and *The Legend of Good Women*, together with short poems. Morrison's introduction is vital for its insights into Chaucer as man and artist, and as a product of the Middle Ages whose shrewdness, humor, and compassion have a wonderfully contemporary ring.

Lively, absorbing, often outrageously funny, Chaucer's *The Canterbury Tales* is a work of genius, an undisputed classic that has held a special appeal for each generation of readers. The *Canterbury Tales* gather twenty-nine of literature's most enduring (and endearing) characters in a vivid group portrait that captures the full spectrum of medieval society, from the exalted Knight to the humble plowman. A graceful modern translation facing each page of the text allows the contemporary reader to enjoy the fast pace of these selections from *The Canterbury Tales* with the poetry of the Middle English original always at first hand.

The Complete Works of Geoffrey Chaucer: The house of fame: The legend of good women: The treatise on the astrolabe: with an account of the sources of the Canterbury tales Oxford University Press, USA

Presents a selection of important older literary criticism of selected works by Geoffrey Chaucer.

[The Complete Poetical Works of Geoffrey Chaucer](#) Oxford University Press

Originally writing over 600 years ago, Geoffrey Chaucer is today enjoying a global renaissance. Why do poets, translators, and audiences from so many cultures, from the mountains of Iran to the islands of Japan, find Chaucer so inspiring? In part this is down to the character and sheer inventiveness of Chaucer's work. At the time Chaucer's writings were not just literary adventures, but also a means of convincing the world that poetry and science, tragedy and astrology, could all be explored through the English language. French was still England's aristocratic language of choice when Chaucer was born; Latin was used for university education, theological discussion, and for burying the dead. Could a hybrid tongue such as English ever generate great writing to compare with French and Latin? Chaucer, miraculously, believed that it could, through gradual expansion of expressiveness and scientific precision. He was never paid to do this; he was valued, rather, as a capable civil servant, regulating the export of wool and the building of seating for royal tournaments. Such experiences, however, fed his writing, leading him to achieve a range of social registers, from noble tragedy to barnyard farce, unrivalled for centuries. His tale-telling geography is vast, his fascination with varieties of religious belief endless, and his desire to voice female experience especially remarkable. Many Chaucerian poets and performers, today, are women. In this *Very Short Introduction* David Wallace introduces the life, performance, and poetry of Chaucer, and analyses his astonishing and enduring appeal. Previously published in hardback as *Geoffrey Chaucer: A New Introduction* ABOUT THE SERIES: The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

University Press

Spanning Chaucer's working life, these four poems build on the medieval convention of 'love visions' - poems inspired by dreams, woven into rich allegories about the rituals and emotions of courtly love. In *The Book of the Duchess*, the most traditional of the four, the dreamer meets a widower who has loved and lost the perfect lady, and *The House of Fame* describes a dream journey in which the poet meets with classical divinities. Witty, lively and playful, *The Parliament of Birds* details an encounter with the birds of the world in the Garden of Nature as they seek to meet their mates, while *The Legend of Good Women* sees Chaucer being censured by the God of Love, and seeking to make amends, for writing poems that depict unfaithful women. Together, the four create a marvellously witty, lively and humane self-portrait of the poet.

The Poetical Works of Geoffrey Chaucer, Etc OUP Oxford

"Our Hoste saw well that the brighte sun Th' arc of his artificial day had run The fourthe part, and half an houre more; And, though he were not deep expert in lore, He wist it was the eight-and-twenty day Of April, that is messenger to May; And saw well that the shadow of every tree Was in its length of the same quantity That was the body erect that caused it; And therefore by the shadow he took his wit."

[Chaucer](#) Delphi Classics

Nevill Coghill's masterly and vivid modern English verse translation with all the vigor and poetry of Chaucer's fourteenth-century Middle English A Penguin Classic In *The Canterbury Tales* Chaucer created one of the great touchstones of English literature, a masterly collection of chivalric romances, moral allegories and low farce. A story-telling competition between a group of pilgrims from all walks of life is the occasion for a series of tales that range from the Knight's account of courtly love and the ebullient Wife of Bath's Arthurian legend, to the ribald anecdotes of the Miller and the Cook. Rich and diverse, *The Canterbury Tales* offer us an unrivalled glimpse into the life and mind of medieval England. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Poems of Geoffrey Chaucer Oxford University Press, USA

This work considers virtually all of Geoffrey Chaucer's writings as disguised reflections of matters personal and political. Chaucer wrote in a particularly crucial time of political change in England. He was in a unique position to see and hear more than he dared to express. He developed a 'poetics of disguise' to express his increasingly critical views of British royalty without seeming to criticize or dissent. He utilized the voices of women, pagans, personified abstractions, and birds to create a debate about the social and political issues of the day. New readings of his major

works including his short poems are included in this unique analysis.

[Historians on Chaucer](#) Penguin UK

Research Paper (postgraduate) from the year 2021 in the subject English Language and Literature Studies - Literature, grade: 5.0, , language: English, abstract: What can we say about Chaucer's life with certainty? If we were to be honest - nothing can be said about either his private life or, for example, the exact date of his birth. He, himself - the one who led the English literature to the European peaks, mentions in 1386 that he might be "forty and something". Chaucer's life was quite well recorder in numerous official documents. In the further part of my discourse I shall explain why it was so. Geoffrey Chaucer - using the pathetic description - one of the Founding Fathers of English literature, had glamorous and satisfying from the mercantile point of view life. His career allowed him to travel extensively and to see and experience much more than the average human-being of the Middle Ages could imagine. The rare periods in his life when he was short of money revealed the self-made man, able to find himself a job that would provide him satisfying profit. What else than a broad mind and brilliant career could satisfy a medieval man? Chaucer proved to be a man far ahead his times, someone whom we could call the Renaissance Man. Being exposed to art and literature, the achievements of his age, he decided to take part in creating it, not only being a passive observer. And so not only did he translate fragments of Italian and French literature to make them broadly known in his home country but also he wrote his own outstanding works. Most of them probably imitations or borrowings from French or Italian texts. However, Chaucer's unquestionable skill to portray and mock the society of the Medieval times will remain immortal in the superb Canterbury Tales.

The Complete Works of Geoffrey Chaucer: Romaunt of the rose. Minor poems epubli

This Very Short Introduction provides a compelling account of the emergence of the earliest literature in Britain and Ireland, including English, Welsh, Scottish, Irish, Anglo-Latin and Anglo-Norman. Introducing the reader to some of the greatest poetry, prose and drama ever written, Elaine Treharne discusses the historical and intellectual background to these works, and considers the physical production of the manuscripts and the earliest beginnings of print culture. Covering both well-known texts, such as Beowulf, The Canterbury Tales and the Mabinogion, as well as texts that are much less familiar, such as sermons, saints' lives, lyrics and histories, Treharne discusses major themes such as sin and salvation, kingship and authority, myth and the monstrous, and provides a full, but brief, account of one

of the major periods in literary history. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Poetical Works of Geoffrey Chaucer Infobase Publishing
An overview of Chaucer's work, focusing on the most canonical texts, such as Canterbury Tales and Troilus and Criseyde, while also providing some analysis of his minor works.

[The Portable Chaucer](#) Penguin

"More than any other canonical English writer, Geoffrey Chaucer lived and worked at the centre of political life--yet his poems are anything but conventional. Edgy, complicated, and often dark, they reflect a conflicted world, and their astonishing diversity and innovative language earned Chaucer renown as the father of English literature. Marion Turner, however, reveals him as a great European writer and thinker. To understand his accomplishment, she reconstructs in unprecedented detail the cosmopolitan world of Chaucer's adventurous life, focusing on the places and spaces that fired his imagination. Uncovering important new information about Chaucer's travels, private life, and the early circulation of his writings, this innovative biography documents a series of vivid episodes, moving from the commercial wharves of London to the frescoed chapels of Florence and the kingdom of Navarre, where Christians, Muslims, and Jews lived side by side. The narrative recounts Chaucer's experiences as a prisoner of war in France, as a father visiting his daughter's nunnery, as a member of a chaotic Parliament, and as a diplomat in Milan, where he encountered the writings of Dante and Boccaccio. At the same time, the book offers a comprehensive exploration of Chaucer's writings, taking the reader to the Troy of Troilus and Criseyde, the gardens of the dream visions, and the peripheries and thresholds of The Canterbury Tales. By exploring the places Chaucer visited, the buildings he inhabited, the books he read, and the art and objects he saw, this landmark biography tells the extraordinary story of how a wine merchant's son became the poet of The Canterbury Tales." -- Publisher's description.

[Geoffrey Chaucer](#) Routledge

"The present edition of Chaucer contains an entirely new Text, founded solely on the manuscripts and on the earliest accessible printed editions. For correct copies of the manuscripts, I am indebted, except in a few rare instances, to the admirable texts published by the Chaucer Society. In each case, the best copy has been selected as the basis of the text, and has only been

departed from where other copies afforded a better reading. All such variations, as regards the wording of the text, are invariably recorded in the footnotes at the bottom of each page; or, in the case of the Treatise on the Astrolabe, in Critical Notes immediately following the text. Variations in the spelling are also recorded, wherever they can be said to be of consequence. But I have purposely abstained from recording variations of reading that are certainly inferior to the reading given in the text."

The Complete Works of Geoffrey Chaucer : Notes to the Canterbury Tales, Volume V (Illustrated) University Press of Amer

First published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.
