McGraw-Hill My Math, Grade 5 D C Heath & Company

An excellent addition to intermediate or advanced-level Spanish language or literature courses, *En la Ocho y la Doce* is a collection of microfictions and longer stories that present diverse perspectives on the experience of Cuban emigration to the United States. Unlike many intermediate-level readers, which anthologize standard works, this volume presents outstanding, authentic literature and themes that are highly relevant to heritage speakers in this country.

Libro del curso Heinle & Heinle Pub

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:

Bravo! University Press of America

Winner of the National Book Award for Young People's Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami's determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school's slam poetry club, she doesn't

know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. "Crackles with energy and snaps with authenticity and voice." —Justina Ireland, author of *Dread Nation* "An incredibly potent debut." —Jason Reynolds, author of the National Book Award Finalist *Ghost* "Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero." —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. Plus don't miss Elizabeth Acevedo's *With the Fire on High* and *Clap When You Land!* *Dime! / Tell Me!* Allyn & Bacon

Asclepiades de Samos fue uno de los autores de epigramas más importantes de la literatura griega. Su obra es fundamental para comprender la transformación del epigrama, de género poético popular en forma literaria culta y refinada. En este libro se editan y estudian todos los epigramas y fragmentos conservados bajo el nombre de Asclepiades. El texto presentado proviene de una profunda revisión de todos los manuscritos, papiros y ediciones conocidos, así como de la larga tradición de crítica textual acerca de éstos. Su amplio estudio introductorio reconstruye la biografía del autor utilizando el material epigráfico y numismático más reciente, y sitúa la figura de Asclepiades en el conjunto de la poesía helenística, contemplando también los textos desde el punto de vista lingüístico y métrico. El comentario filológico y literario analiza los problemas de transmisión e interpretación de cada epigrama, cuestiones de realia, su relación con otros autores y demás aspectos pertinentes para la mejor comprensión de estos breves y brillantes poemas.
