Zaynab is from Somaliland, a country that doesn't exist because of politics and may soon be no more than a desert. Lucas is from rural Devon, which might as well be a world away. When they meet, they discover a common cause: the climate crisis. Together they overcome their differences to build a Fridays For Future group at their school and fight for their right to protest and make a real impact on the local community. But when Zaynab uncovers a plot which could destroy the environment and people's lives back home in Somaliland, she will stop at nothing to expose it. Lucas must decide if he is with her or against her – even if Zaynab's actions may prove dangerous...

Laser : a modern, fun and exciting course B2 : Student's book : updated for the revised FCE with CD-ROM Prentice Hall
Fluo!'s Macedonian Pocket Dictionary, authoritative and comprehensive, is a bi-directional Dictionary, with thousands of lemmas and definitions. An indispensable reference for any student, as well as professionals and translators.

SUCCESS. It's all in the name

Playway to English Level 2 Pupil's Book Longman

A magnificent example of Widmer's characteristic humor, literary genius, and unparalleled imagination. In the wildly entertaining novel *The Blue Soda Siphon*, the narrator unexpectedly finds himself back in the world of his childhood: Switzerland in the 1940s. He returns to his childhood home to find his parents frantic because their son is missing. Then, in another switch, the young boy that he was back then turns up in the present of the early 1990s, during the Gulf War, where he meets himself as an older man, and meets his adult self's young daughter. These head-scratching, hilarious time shifts happen when both the adult narrator and his childhood self go to the cinema and see films, the subjects of which echo their own lives. Translated into English for the first time by Donal McLaughlin, this novel, in which the eponymous blue soda siphon bottle is a recurring symbol, is a magnificent example of Urs Widmer's characteristic humor, literary genius, and unparalleled imagination.

Dieses Werk ist Teil der Buchreihe TREDITION CLASSICS. Der Verlag tredition aus Hamburg veröffentlicht in der Buchreihe TREDITION CLASSICS Werke aus mehr als zwei Jahrtausenden. Diese waren zu einem Grossteil vergriffen oder nur noch antiquarisch erhältlich. Mit der Buchreihe TREDITION CLASSICS verfolgt tredition das Ziel, tausende Klassiker der Weltliteratur verschiedener Sprachen wieder als gedruckte Bücher zu verlegen - und das weltweit! Die Buchreihe dient zur Bewahrung der Literatur und Forderung der Kultur. Sie trägt so dazu bei, dass viele tausend Werke nicht in Vergessenheit geraten

Chemical Storylines. Seagull Library of German
Oskar Schlemmer (1888-1943) was one of the most versatile all-rounders of the last century and as unusual as a painter as he was as a sculptor, draughtsman, graphic artist, stage designer, wall designer, creator of epochal dance projects and author. His vision was the "new" man living in functional architecture, thinking clearly and acting clearly in the modern age which would never again sink into the chaos of war. The catalogue includes the seven original costumes of the Triadisches Ballett (Triadic Ballet) together with rare documents of the time. The connection between the all-encompassing attempts at reform of the Bauhaus are discussed as well as Schlemmer's vain attempts to reconcile his "unpolitical" art with the Nazi dictatorship's ideas of state-controlled art. The focus will be directed towards Schlemmer's lofty ethical demands, which always regarded man, typified as a "Kunstfigur" (artistic figure) as the "measure of all things".

Success Intermediate Vantage Press, Inc

All students want to succeed. All teachers want to create great lessons. Success gives them the opportunity.

Das Schloss Tredition Classics

Designed for learners who are at a critical point in their education, Success will help them cross the border between their school life and the outside world. Music for the Theatre Pearson Longman

Each affirmation provides fuel to help you make positive change from the inside, dig deep, stay on purpose, back yourself and be true to your ideas. It includes an insightful quote designed to rocket you to greatness, followed by a musing and an inspiring affirmation to help propel you forward with grit, tenacity and resilience.

Success McFarland

This book challenges a longstanding and deeply ingrained belief in Shakespearean studies that *The Tempest*—long supposed to be Shakespeare's last play—was not written until 1611. In the course of investigating this proposition, which has not received the critical inquiry it deserves, a number of subsidiary and closely related interpretative puzzles come sharply into focus. These include the play's sources of New World imagery; its festival symbolism and structure; its relationship to William Strachey's True Reportory account of the 1609 Bermuda wreck of the *Sea Venture* (not published until 1625)—and the tangled history of how and why scholars have for so long misunderstood these matters. Publication of some preliminary elements of the authors' arguments in leading Shakespearean journals (starting in 2007) ignited a controversy that became part of the critical history. This book presents the case in full for the first time.

Lighthouse Longman

Puts the development of chemical ideas in the context of social and industrial needs. This book uses OCR terminology, and contains a glossary of the key terms from the specification. It is structured in line with the OCR specification with colour content, photographs and illustrations.
