Golden Tarot of Botticelli

Lo Scarabeo Popular inspirational artist Catrin Welz-Stein has created a magical tarot deck in her signature collage style with lush images drawn from her intuition and imagination. This unique 83-card deck, with a distinctively feminine point of view, includes five bonus cards: extra female versions of the four Kings and the Emperor. Readers can customize the deck by choosing which cards to include in their readings. Tarot of Mystical Moments features gilded edged cards and a 96-page guidebook with upright and reversed meanings.

The Light Seer's Tarot SQP

Lo Scarabeo's popular Universal Tarot deck is now available with gold foil highlights. Italian painter Roberto de Angelis lends a modern, more realistic approach to the classic Rider-Waite imagery. His dynamic interpretation is perfect for beginning readers, who will recognize the familiar characters and tableaux updated with sophisticated color and less cluttered compositions. Now adorned with brilliant gold impressions designed to take on an antique, distressed appearance over time, the Golden Universal Tarot Deck will attract collectors and tarot enthusiasts of all levels. Boxed deck (2¾ x 4¾) includes 78 full-color cards and instruction booklet

Whispers of Love U S Games Systems

This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

The Golden Tarot Lo Scarabeo Decks

In twentieth century Vienna, the art of Gustav Klimt held a primary position. Inspired by this modern master, these cards are teeming with impressions-stamped in gold- that recount love, death, sensuality, and regeneration. This deluxe edition also includes an embroidered satin bag and instructions-all encased in a box sized to fit snugly on a book shelf. Publisher Review: The art of Gustav Klimt (1862-1918), filled with symbolism, passion and eroticism, have become so popular that they appear everywhere, from posters on college student's walls to coffee mugs, from stained glass imitations to ceramic tile. His piece, "The Kiss," is virtually iconic and his painting of Adele Bloch-Bauer sold for \$135 million in 2006, the highest price ever for a painting. Klimt combined graphic techniques with pictorial ones, flaunting conventions of the time, perhaps in anticipation of Weimar Germany that began a year after his death. Besides his mastery of inventive art [read more]

Golden Tarot of the Tsar Lo Scarabeo

Once known as the Charles VI or Gringonneur Tarot, this historic masterpiece has been restored, completed, and renamed to reflect its true history. This late 15th century deck was made in Ferrara for the Estes family. The Minor Arcana, added by Dworkin, were inspired by frescos in Schifanoia Palazzo, owned by the Estes family. These images are alive with movement and wit and are highlighted with gold foil.

This book presents six different charter schools that explicitly embrace a compelling civic mission and that foster an excellent academic environment. This volume makes the case that the rediscovery of the civic mission of schooling is not at odds with the broader education reform movement. These charter schools all have widely different approaches to teaching and fostering civic-mindedness, but each charter system links good behavior, character formation, and the practical aspects of citizenship with classroom performance.

Everything You Need to Know to Begin Reading Tarot Cards For centuries, Tarot cards have been consulted for divination by those seeking answers from the unseen realms. The Tarot has been credited with illuminating solutions to major dilemmas, and even helping people avoid future misfortunes. The Tarot experience can indeed be empowering, bringing clarity to confusing situations and showing us that we have the ability to shape our future based on the choices we make in the present. Far more than mere "fortune telling," the Tarot is a tool for meditation and reflection, for seeing new angles that give way to broader perspectives about how we approach our lives. In this 2nd edition of Tarot for Beginners, best-selling author Lisa Chamberlain opens the door for newcomers to the Tarot in her trademark clear and straightforward manner. She dispels old myths and misconceptions about the Tarot, providing an objective look at its origins and its divinatory potential for 21st-century readers. Tailored especially for those who want to read the cards for themselves, this guide offers strategies for getting familiar with each card, a step-by-step breakdown of the process of a reading, options for tailoring the approach to suit your unique style, and advice for getting the most out of reading the cards for yourself. Most guides to the Tarot are centered on a specific deck, such as the Waite-Smith, the Tarot of Marseille, or other decks ranging from the well-known to the rather obscure. While these books can be useful and informative, their card interpretations are largely restricted to the particular deck they focus on. Tarot for Beginners takes a different approach, offering basic card meanings that can be applied to any deck, and used in tandem with any descriptions that accompany the deck you've chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime. Foundations in the Art of Divination Tarot can be thought of as a kind of language through which we can hear and understand divine messages. This communication comes through the individual cards and through the symbolic system of the deck as a whole. Tarot for Beginners sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot, including: The origins and evolution of the Tarot as a divinatory art A comprehensive overview of the Major, Minor, and Court Arcana Tips for choosing your first deck and getting acquainted with your cards Beginner tips and exercises for interpreting the cards Instructions for the basic 3-card spread and the 10-card Celtic Cross, two of the most widely-used spreads in contemporary Tarot A step-by-step process for conducting Tarot readings Advice on reading the cards for yourself Core meanings of each card in the standard Tarot deck The art of Tarot takes time and experience to master, and your willingness to study the cards, practice reading, and hone your intuition will be key to your development as a Tarot reader.
