Avon Books

There is a lot one could

say about animation in Europe, but above all, there is no consistent European animation. It is as disparate as the various countries involved. Audiences will certainly recognize American or Japanese animation, but in Europe, it can range from Czech, Polish, and Hungarian to Greek, Italian, Spanish, Portuguese, French, and British. Animation in Europe provides a comprehensive review of the history and current situation of animation in over 20 European

countries. It features numerous interviews with artists and producers, including rare documents and firsthand accounts that illustrate the rich history of animation in Europe. Additional features include • An extensive chronology with key events in European animation • A Who's Who of producers, directors, writers, and animators working in Europe • An examination of the origin of European animation and its influence Animation in Europe is the first book devoted entirely

to this topic and, therefore, will be of value for animation buffs as well as practitioners and researchers.

Rolf Kauka's Fix und Foxi
CRC Press

Art Historian David Kunzle introduces this comprehensive bibliography, which covers 29 countries in Europe, where the study of comic art first began.

Novel Perspectives on German-Language Comics Studies Rowman & Littlefield

Novel Perspectives on German-Language Comics

Studies: History, Pedagogy, Theory is the first English-language anthology to focus on graphic novels and comics from the German-speaking world. Its contributors take innovative historical, pedagogical, and theoretical approaches to reading contemporary German-language comics and, in doing so, demand that the German-language comics tradition, separate from American or Franco-Belgian traditions, be taken seriously at home and abroad.
