HARRISON SPENCE

A Legislative History of the Federal Food, Drug, and Cosmetic Act and Its Amendments Carlton Press

Developed by veteran administrators, the "nuts and bolts" described in the monthly chapters will give middle school principals the tools they need to help ensure a trouble-free opening to the school year.

Laws of the State of New York Jones & Bartlett Publishers

This book has been developed for both new and experienced principals; it lays out everyday challenges and administrative necessities to help principals plan strategically for the academic year. This work provides a month-to-month guide to make the school year run smoothly from opening to closing. Chapters cover key tasks for each month beginning in July: overview of tasks; communications--letters, memos, correspondence, media

relationships; planning--workshops, orientations, field trips, fundraising activities; personnel--assignments, schedules, rosters, tenure recommendations; and checklists to monitor progress with an assortment of tasks for each month. These checklists offer flexibility for modification, and the monthly calendar helps busy administrators avoid reinventing the wheel each year.

Appendices include sample documents, teachers' manual index, and various memos covering fundraising, building security, class elections, locker cleanup, weekly memo, orientation agenda, and emergency drills, among others. (DFR)

Handbook of Local Government Fiscal Health CCH

New York State Sales and Use Tax Law and Regulations serves as a comprehensive resource for all those who work with sales and use tax issues in New York. It is a great companion to CCH's Guidebook to New York Taxes, providing full text of the New York State tax laws concerning sales and use taxes--Articles 1, 8, 28, 29, 37 and 41, as well as related New York City provisions--Chapters 1 and 20 of the NYC Administrative Code. It's an essential handbook for every principal faced with the complex challenge of managing all aspects of school administration!

Report Corwin

Fiscal health of local governments and municipalities has remained an important issue since the crises of the 1970s in places like New York, Philadelphia and Cleveland. More recently, the bankruptcy of Orange County California raised the possibility of a different type of financial failure than earlier ones. The beginning of the 21st century has witnessed two major economic bubbles including the dotcom and housing bubbles. These economic cycles combined with increasing health care, pension and other structural costs continue to challenge the fiscal viability of many jurisdictions. In particular, the economic and financial

crisis of 2007-2008 is likely to result in potentially serious fiscal challenges for local jurisdictions.

This comprehensive reference provides full text of the statute affecting New York personal income, corporate franchise (income), estate, excise, sales and use, franchise, and other NY taxes as amended by legislative action through January 1, 2008. Also included is the full text of the New York State tax laws relating to city personal income tax, income tax surcharge, and city earnings tax on nonresidents.

A Parent's Guide to Internet Safety Corwin Press

"This Earthly Frame is a sweeping, path-breaking history of public secularism's rise and fall in the United States from Jefferson to Trump. Narrating the stories of a diverse cast of characters—from the founding fathers and Henry Ward Beecher to Fanny Wright, Robert Ingersoll, and Jehovah's Witnesses—David Sehat explores the tensions at the heart of American political and religious history. The U.S. has a national constitution that does not acknowledge God, but Christian ideas have still suffused American life, making the country one of the central sites in the wider disagreements about how religion and governance should be related. Sehat stresses that the story of American secularism is one of religious and non-religious alliance; religious advocacy was vital to secularism's success. Religious and non-religious Jews, liberal Protestants, apocalyptic sects like the Jehovah's Witness, and anti-religious activists—all used the courts and the

constitutional language of the First Amendment to create the secular order. The religious and the non-religious alike supported secularism as a solution to social conflict. But in the last fifty years, many religious conservatives have turned against secularism and spoken instead of the importance of their religious freedom. Avoiding both polemic and lament, *This Earthly Frame* offers a powerful reinterpretation of American secularism and a clear framework for understanding the religiously infused conflict of the present"--
