Hussein's starkly beautiful novel *Beyond Love* plunges us into the 1991 Gulf War and its aftermath. Huda, the young woman at the center of the story, experiences the deprivation and humiliation of life in sanctioned Iraq, working in the satirically named al-Amal factory (factory of hope) making men's underwear. While surveillance and fear permeate daily life, Huda dares to vote "no" in the referendum for Saddam Hussein. This courageous act could have led to her death had she not fled to the closest border, Jordan, where the novel begins. Huda is not alone: Iraqi exiles are legion there, all waiting to be relocated and start new lives. Unable to go home or to feel settled in a foreign city, she struggles to overcome her grief and haunting memories of the war and the Shi'ite uprising. In letters, diaries, and oral stories, Hussein's characters viscerally portray the pain of war and the alienation of exile. Originally published in Arabic in 2003, *Beyond Love* introduces English-language readers to one of the leading voices in Iraqi fiction today.

The first time Wyatt Hutton's pale blue eyes meet mine, they steal my breath-even if I only see them for a second before he refuses to look at me again. He's older than me, by way too much, and if he had his way, our paths never would have crossed in the first place. But our fate was written in the stars and while the truth of our families should keep us apart, life keeps bringing us together again. Over and over, he's the only one I turn to when things fall to pieces. And when he's in need, my embrace is the only cure. We fight our feelings. We fight our families. We fight fate. Maybe it's time we fight for each other instead... "...a modern day star-crossed lover story." (...with a happily ever after, of course!) This emotional age-gap/forbidden contemporary romance has all the joy and angst you can expect from Abby Brooks. BEYOND LOVE can be read as a standalone, but to get the most out of the experience, read the Hutton Family series in order.

Revealing the Heart of God is a devotional book unlike any you've ever read. Most Hebrew word study books read like a dictionary, not really explaining the Hebrew words in light of specific Bible passages. Hebrew Word Study by Chaim Bentorah combines an in-depth look at the meanings of a variety of scriptural words and phrases in the original Hebrew with a down-to-earth application for our daily Christian experience. Guided by Chaim's expertise in biblical languages, you will examine not just word definitions, but also the origins of words, their place in the culture and idioms of the day, and even their emotional context. With the author's anecdotes and stories from the Bible and ancient Jewish literature, the meanings of these words and passages become even more vivid. Each of the ninety word studies in this book will encourage and strengthen you in your relationship with God. As you search the depths of God's Word, you will see just how beautiful the Scriptures are, and most of all, you will see the beauty of God Himself and come to love Him all the more.

A Story of a Marriage Through Dementia and Beyond Grand Central Pub

DARK VALLEY .and Beyond is the story of a journey through traumatic grief. When the great love of her life was taken, deep grief was compounded by the testing of her faith. The very foundations of life seemed to be swept away. Yet the faithful Shepherd, though hidden for a time, held her through the storm, sent help when needed, and "restored her soul." This is a record of God's faithfulness "though I walk through the Valley of the shadow of death..." It is a record of pain and struggle leading to healing, hope and purpose. The author grew up in a small village nestled in a farming community. It was there, as a child, that she met God. After high-school she attended a Bible College where she came to know, respect, then to love a young man who also worshiped the Lord. She taught school for a short time, then they married and together raised four children. The relationship with her earthly love, shared for more than half a century, was recognized both by herself and others as uniquely precious, a gift from the very hand of God. When death tore them apart, grief struck like a tsunami; the storm of dark, excruciating anguish nearly destroyed her. But God, though for a time unseen in those

shadows, held her close and brought her through-changed, still acutely aware of deep loss-but trusting the purpose of the Almighty, the deepest Love of her life.
