MIND, BODY, SPIRIT. We have all had moments when a death, a near miss, or a sudden change of luck jolts us into a different perspective. In these instants, we intuitively know the essence of a life well lived; we know what matters, yet we rarely act on these flashes of insight. Instead, they quickly fade. Sometimes all it takes is a phone call or text message, and we're back to our everyday problems and distractions. What stands in the way of our ability to create the insight we need and act on it every day? The same distractions that have always plagued human beings: the pressure to make a living, the stress of dealing with other people, the burden of expectations, and the swiftness of time. To rise above these distractions and tap into the best version of yourself, you need to unpack the details that make up your daily existence. You need to hold them up to the light, reconsider them, and decide what to keep, what to lose, and what to do differently.

Mysterium and Mystery Bloomsbury Publishing

"The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future ... As the story unfolds, each revelation becomes a piece in a greater puzzle -- the ramifications of which will even alter the course of world history."--Publisher's website.

The Harbinger Penguin

Clean your room! Don't Interrupt! Were you raised in a zoo? These sayings may sound all too familiar; they may even make kids want to groan. But what if someone could magically make all the rules parents give--or at least 30 of them--actually make sense? Translator of the secret language of parents, Rabbi Marc Gellman, to the rescue! In addition to co-hosting the cable program "The God Squad" and co-writing a nationally syndicated column, Marc Gellman has appeared on many national network TV programs including Good Morning America and writes a solo column for Newsweek online. In his companion book to the successful ALWAYS WEAR CLEAN UNDERWEAR: AND OTHER WAYS PARENTS SAY "I LOVE YOU", Gellman uses wit and humor to help readers understand their parents' motivations.

The Adventures of Rabbi Harvey Open Road Media

The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout. Experts from all over the world contribute entries ranging from 200 to 1000 words broadly, covering the humanities, arts, social sciences, sport and popular culture, and 5000-word essays contextualize the shorter entries, and provide overviews to aspects of culture in the Jewish world. Ideal for student and general readers, the articles and biographies have been written by scholars and academics, musicians, artists and writers, and the book now contains up-to-date bibliographies, suggestions for further reading, comprehensive cross referencing, and a full index. This is a resource, no student of Jewish history will want to go without.

American Rabbis Open Road Media

A pharmaceutical mishap draws the rabbi into a murder investigation in this New York Times bestseller: "An endearing character . . . a devious plot" (San Diego Union-Tribune). New Age thinking has come to Barnard's Crossing, Massachusetts. The recently elected president of Rabbi David Small's synagogue is intent on using temple money to build a meditation retreat. The congregation is practicing yoga, buying crystals, and reciting chants. When a troubled young man returns to the town after spending time in a controversial Hasidic cult, the rabbi expects him to be another New Ager. But things take a grisly turn away from new-fangled mantras of peace and love when something terribly old fashioned happens: murder. An elderly patient dies after being given the wrong medication by the local pharmacist, who coincidentally is also the Hasidic man's father. When the dead man's family suggests the mix-up was intentional, both the druggist and his son become suspects and it's up to Rabbi Small to investigate by drawing on some Old Testament wisdom in a village of New Age fads.

The Beauty of What Remains Open Road Media

Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories: authors, titles, plots, characters, weapons, methods of killing, movie and theatrical adaptations. What distinguishes this

encyclopedia from the others in the field is its critical stance.

Educated Open Road Media

Katie Roiphe, culture writer and author of *The Morning After*, shares a "beautifully written" (The New York Times Book Review) "astute memoir [that] reverberates with rich prose, crisp pacing, and self-compassion" (Publishers Weekly) and an essential discussion of how strong women experience their power. Told in a series of notebook entries, Roiphe weaves her often fraught personal experiences with divorce, single motherhood, and relationships with insights into the lives and loves of famous writers such as Sylvia Plath and Simone de Beauvoir. She dissects the way she and other ordinary, powerful women have subjugated their own power time and time again, and she probes brilliantly at the tricky, uncomfortable question of why. "Although Ms. Roiphe seems to be exposing her vulnerabilities here, she is actually, once again, demonstrating her unique brand of fearlessness" (The Wall Street Journal). The Power Notebooks is Roiphe's most vital, thought-provoking, and emotionally intimate work yet.

Bringing Bubbe Home Open Road Media

As he counsels a woman considering conversion to Judaism, Rabbi Small takes a break from murder mysteries to discuss the mysteries of his religion. In *Conversations with Rabbi Small*, the rabbi finds himself taking a well-deserved vacation at a Jewish retreat in the mountains, where he reads, plays cards, and furthers his studies, which have been languishing for too long. When the rabbi's wife is called back to the city to deal with an illness in the family, the rabbi meets a curious young woman in the midst of a life-changing moment. Joan is a gentile who is about to marry a Jewish man, and she is desperate for answers as she determines whether or not to convert to her betrothed's religion. In *Rabbi Small*, she finds an ideal teacher. In a series of impassioned conversations, the rabbi guides her through the ancient mysteries and wonders of Judaism, giving guidance to both her and her husband-to-be. With humor and compassion, the rabbi shares the history, beliefs, and traditions that have linked Jewish people across the world for millennia.

Sequels Open Road Media

"Every day," writes Rabbi Meir Kahane, "the Arabs of Israel move closer to becoming a majority. Are we [Israel] committed to national suicide? Should we allow demography, geography, and democracy to push Israel closer to the abyss? According to Rabbi Kahane, Israel can only be sustained by a permanent Jewish majority and a small, insignificant, and placid Arab minority. But the Arab population continues to grown quantitatively and qualitatively. They feel no ties for a state that breathes Jewishness. They mockingly accept moneys from the National Insurance Institute for medical services, tuition, and social welfare; yet they pay little or no tax. Even worse, they openly vow to destroy the Jewish state - not with bullets or bombs, but with the democratic vote. Is there a solution? Rabbi Kahane insists, "Yes." In this explosive manifesto Rabbi Kahane sets forth the only plan to save Israel. Israeli Arabs would be given the options of accepting noncitizenship, leaving willingly with compensation, or being forcibly expelled without compensation. Controversial? Yes. Could the Arabs be convinced to leave? "We will not come to the Arabs to request, argue, or convince," says Kahane. "For Jews and Arabs in Israel there is only one answer - separation. Jews in their land, Arabs in theirs. Separation. Only separation." They Must Go was written in 1980 while Rabbi Meir Kahane was jailed in Ramle Prison by the Israeli government under an unprecedented administrative detention order that imprisoned him without a trial, without his being informed of any specific charge, and without opportunity to know or to question any alleged evidence or witness. His crime: his philosophy concerning the danger that exists to the state of Israel by the very presence of its large and growing Arab population. Rabbi Kahane's ideas were suppressed, twisted, defamed, and subjected to emotional and hysterical diatribes by people who were too frightened to consider them intelligently or to debate them intellectually. Is there a time bomb ticking away relentlessly in the Holy Land? Can Arabs and Jews ultimately coexist in a Jewish-Zionist state? Rabbi Kahane's only answer: "They Must Go."

Encyclopedia of Modern Jewish Culture Charisma Media

"In a counterfactual world resembling the 1930s, the state of Khazaria, an isolated nation of warrior Jews, is under attack by the Germanii. Esther, the precocious daughter of Khazaria's chief policy advisor, sets out on a quest to ensure the survival of her homeland"--

Thursday the Rabbi Walked Out Springer

This bold, fresh look at the historical Jesus and the Jewish roots of Christianity challenges both Jews and Christians to re-examine

their understanding of Jesus' commitment to his Jewish faith.

Instead of emphasizing the differences between the two religions, this groundbreaking text explains how the concepts of vicarious atonement, mediation, incarnation, and Trinity are actually rooted in classical Judaism. Using the cutting edge of scholarly research, Rabbi Zaslow dispels the myths of disparity between Christianity and Judaism without diluting the unique features of each faith. Jesus: First Century Rabbi is a breath of fresh air for Christians and Jews who want to strengthen and deepen their own faith traditions.

Sunday the Rabbi Stayed Home American Library Association

The national bestseller *From the author of the bestselling More Beautiful Than Before* comes an inspiring book about loss based on his most popular sermon. As the senior rabbi of one of the largest synagogues in the world, Steve Leder has learned over and over again the many ways death teaches us how to live and love more deeply by showing us not only what is gone but also the beauty of what remains. This inspiring and comforting book takes us on a journey through the experience of loss that is fundamental to everyone. Yet even after having sat beside thousands of deathbeds, Steve Leder the rabbi was not fully prepared for the loss of his own father. It was only then that Steve Leder the son truly learned how loss makes life beautiful by giving it meaning and touching us with love that we had not felt before. Enriched by Rabbi Leder's irreverence, vulnerability, and wicked sense of humor, this heartfelt narrative is filled with laughter and tears, the wisdom of millennia and modernity, and, most of all, an unfolding of the profound and simple truth that in loss we gain more than we ever imagined.

The Day the Rabbi Resigned Random House

The rabbi looks into a professor's death, in the New York Times-bestselling series that's "the American equivalent of the British cozy" (Booklist). Retired from his job at the synagogue in Barnard's Crossing, Massachusetts, Rabbi Small now teaches Judaic studies at a Boston college. Finally able to enjoy theological contemplation without the annoyance of temple politics, the rabbi is shocked when one of his colleagues is found dead in his car—and the clues at the scene point to murder. The deceased English professor was notoriously selfish and held long-standing grudges against other members of the faculty, so the list of suspects is long. But when the rabbi who took over Small's position in Barnard's Crossing is implicated, it falls to Small to clear his name and find the true killer, one last time.

If All the Seas Were Ink Popular Science

"Aaron, a disgraced rabbi turned Wall Street banker, and Amelia, his journalist girlfriend, live with their newborn in Bedford-Stuyvesant, one of the most rapidly gentrifying neighborhoods in New York City. The infusion of upwardly mobile strivers into Bed-Stuy's historic brownstones belies the tension simmering on the streets below. But after a cop shoots a boy in a nearby park, a riot erupts—with Aaron and his family at its center. Over the course of one cataclysmic day, issues of race, policing, faith, and professional ambition will collide"--

Someday the Rabbi Will Leave Algonquin Books

WINNER of the 2018 Sami Rohr Prize for Jewish Literature and the 2018 Sophie Brody Medal for achievement in Jewish literature **2018 Natan Book Award Finalist** **Finalist for the 2017 National Jewish Book Award in Women's Studies** The Wall Street Journal: "There is humor and heartbreak in these pages...Ms. Kurshan immerses herself in the demands of daily Talmud study and allows the words of ancient scholars to transform the patterns of her own life." The Jewish Standard: "Brilliant, beautifully written, sensitive, original." The Jerusalem Post: "A beautiful and inspiring book. Both religious and secular readers will find themselves immensely moved by [Kurshan's] personal story." American Jewish World: "So engrossing I hardly could put it down." At the age of twenty-seven, alone in Jerusalem in the wake of a painful divorce, Ilana Kurshan joined the world's largest book club, learning *daf yomi*, Hebrew for "daily page" of the Talmud, a book of rabbinic teachings spanning about six hundred years. Her story is a tale of heartache and humor, of love and loss, of marriage and motherhood, and of learning to put one foot in front of the other by turning page after page. Kurshan takes us on a deeply accessible and personal guided tour of the Talmud. For people of the book—both Jewish and non-Jewish—if *All the Seas Were Ink* is a celebration of learning, through literature, how to fall in love once again. Discussion guide available at ilanakurshan.com

Tuesdays with Morrie Free Press

At seventeen, Alex was torn from his home and deported to Auschwitz. He outlived his family, his faith, and his culture. His memory filled with the death of a people, unable to speak of what he had done to survive, he was locked in the silent prison of his

guilt. This unforgettable and breathtakingly powerful book follows Alex on his journey from the flames of Birkenau to atonement, transformation, and redemption--back cover.

The Encyclopedia of Murder and Mystery Routledge

A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

Someday You'll Thank Me for This! Open Road Media

This book is a broad-brush approach describing the realities of life in the American rabbinate. Factual portrayals are supplemented by examples drawn from fiction—primarily novels and short stories. Chapters include: ♣Rabbinic Training ♣Congregational Rabbis and Their Communities ♣Congregants' Views of Their

Rabbis ♣Women Rabbis [also including examples from TV and Cinema] ♣Assimilation, Inter-marriage, Patrilineality, and Human Sexuality ♣God, Israel, and Tradition This book draws upon sociological data, including the recent Pew Research Center survey on Jewish life in America, and presents a contemporary view of rabbis and their communities. The realities of the American rabbinate are then compared/contrasted with the ways fiction writers present their understanding of rabbinic life. The book explores illustrations from two hundred novels, short stories, and TV/cinema; representing well over 135 authors. From the first real-life women rabbis in the early 1970s to today's statistics of close to 1,600 women rabbis worldwide, major changes have

taken place. Women rabbis are transforming the face of Judaism. For example, this newly revised second edition of *American Rabbis: Facts and Fiction* reflects a fivefold increase in terms of examples of fictional women rabbis, from when the book was first published in 1998. There is new and expanded material on some of the challenges in the twenty-first century, women rabbis, human sexuality/LGBTQ matters, trans/post/non-denominational seminaries, and community-based rabbis.

They Must Go Paraclete Press

The distinguishing characteristic of the book is its mix of essays focusing on teaching cultural diversity in the classroom and illustrating diversity through fiction to the general readers."--BOOK JACKET.
