Think Big: A Resource Manual for Library Programs That Attract Large Teen Audiences is a how-to manual for librarians who want to attract large groups of teens to their libraries with meaningful, memorable events. Large programs may seem to be impossible to attempt until the project is broken down into the separate parts needed. Think Big begins with those separate parts necessary to create a large event, starting with the logistics of time and place, the budget and how to find funding, making a timeline to make everything fall into place, communication among all of the people involved, marketing to the teen audience, troubleshooting with thorough preparation, and the importance of evaluations for reporting and for future planning. Part 2 is a collection of best practices. Seventeen successful, large programs are included, contributed by librarians who have dared to think big and made it work. Included are the book and author programs in school and public libraries. There are also creative programs about poetry and dance, STEM activities, pop culture, and school and work. Every section has two to four programs. Each program explains how the program began and evolved to the event it is today. A timeline, how the program was financed, who assisted to make every step successful, how the program was publicized, and how evaluations were collected and written are provided in detail to empower a librarian to tackle their first-time big program.

National Directory of Corporate Giving Prentice Hall

Find out how to cultivate donors and solicit donations online Covers new changes in tax and philanthropy law Whether you're a small outfit or a big organization, you're competing for donors' dollars and time. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued--through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country's future. Meanwhile, politics in Washington--Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden--have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island's past. Spanning more than five centuries, Cuba: An American History reveals the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba. Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States--as well as the author's own extensive travel to the island over the same period--this is a stunning and monumental account like no other. --

New York Sportsman Rowman & Littlefield Publishers

Equips pharmacy professionals with the tools necessary to advance their practice through public relations. The first book designed specifically for pharmacists, it explains how to work with the media; how to write news releases, public service announcements, and op-ed pieces; how to prepare for media interviews; how to work with PR agencies; and how to become involved in the community. The book contains lists of public relations do's and don'ts, points to consider, and tips for succeeding. Examples of successful PR activities and campaign and sample news release, public service announcement, op-ed article, and media pitch letter are also included.

Fundraising For Dummies Texas A&M University Press

All your nonprofit needs to engage donors and raise funds. This easy-to-read book combines the author's legal and fundraising experience with advice and stories from over 50 experienced fundraisers. Offers practical guidance on all types of fundraising that a new or small to mid-size nonprofit can best make use of, including working with individual donors, planning special events, soliciting grants from foundations and corporations, using the Web and social media, and more. Includes handy worksheets and sample letters.

Bulletin of the National Association of Watch and Clock Collectors John Wiley & Sons
Paper Sparrow is a historical novel inspired by real-life events, Australia 1943 to 1955. PEGGY is born to circumstances that deny her opportunities afforded to others. Before her thirteenth birthday, she has no choice but to work as a Nursing Aide in a home for the elderly. Aged fourteen, Peggy is drugged and raped. She travels from Sydney to Melbourne to see out her pregnancy without family or financial support. Her dark journey reveals a massive baby farming industry, untold sufferings, and life-long consequences to thousands of post-WWII victims-single women. Their babies are officially recognised today as The Stolen White Generation. Peggy's core conflict comes from her necessary involvement with a network of welfare officers and medical teams, all fuelled by monetary greed. Torment, near-slavery, and degradation are encouraged through social bigotry. Peggy meets PETER, a man of the cloth, BINEHAM, a master of Chinese psychology and LILY, a welfare officer fighting for social justice. They foster her potential and lighten her journey. Peggy's baby is kidnapped from the birthing table and sold to a couple who have a ruthless plan to forbid Peggy to approach her child legally. This action leads Peggy to incite reform through civil society to end social prejudice against single mothers and their children. Fortune brings work in the fashion industry, and Peggy wins a scholarship which will lead to a career in live theatre. Peggy has a heart-rending meeting with her child aged one year, but the cherished experience loses its worth when he spits at her feet under instruction from his adoptive parents. This action and a sordid society party meant to launch Peggy in the Miss Australia quest destroy her will to live. Yet, she miraculously survives a deep-sea baptism and finds the strength and means to promote benevolence, communication, and beauty.

Cuba (Winner of the Pulitzer Prize) Gatekeeper Press

The Study Guide provides a thorough supply of supplementary questions and activities to prepare students for tests and exams. The Study Guide would be useful to any student requiring extra practice and quizzing and is especially useful for distance learning courses.

The Politics of Prostitution Gatekeeper Press

There has never been a greater need for raising the funds necessary to promote the causes that will help build a sustainable future. In *Money for the Cause: A Complete Guide to Event Fundraising*, veteran nonprofit executive director Rudolph A. Rosen lays out field-tested approaches that have been among those that helped him and the teams of volunteers and professionals he has worked with raise more than \$3 billion for environmental conservation. As Rosen explains, fundraising events can range from elite, black-tie affairs in large cities to basement banquets and backyard barbeques in small-town America. *Money for the Cause* runs the gamut, demonstrating methods adaptable to most situations and illustrating both basic and advanced techniques that can be duplicated by everyone from novice volunteers to experienced event planners. Each chapter begins

with a pertinent, real-life anecdote and focuses on major areas of event fundraising: business plans and budgets, raffles and auctions, tax and liability matters, contract negotiation, games and prizes, site selection, food service, entertainment, publicity, mission promotion, food and drink service, and effective team building and use of volunteers. The author applies each topic to the widest possible range of events, providing practical detail and giving multiple examples to cover the differences in types of organizations and their fundraising activities. Whatever the funding objective may be, *Money for the Cause: A Complete Guide to Event Fundraising* is both a textbook and a practical reference that will be indispensable to anyone involved in mission-driven organizations, whether as a volunteer, a professional, a student, or an educator.

Celebrate Life! Red Wheel/Weiser

Doing Good Well is a thinking man's guide to the nonprofit world. It is replete with nonprofit paradigms. It provides a different twist to what one might regard as straightforward notions such as mission, staff compensation, governance and corporate social responsibility. And it surprises and challenges even as it seeks to explain charity-specific issues such as charitableness, bridging the rich/poor divide, informed giving and social entrepreneurship.

Charitable Contributions Jones & Bartlett Publishers

Since it was first published in 1988, *Fundraising for Social Change* has become one of the most widely used books on fundraising in the United States. Fundraising practitioners and activists rely on it for hands-on, specific, and accessible fundraising techniques, and it has become a required text in dozens of college courses around the country. This fifth edition offers the information that has made the book a classic: proven know-how on asking for money, planning and conducting major gifts campaigns, using direct mail effectively, and much more. The book has been significantly changed to include new technology—e-mail, online giving, and blogs—and contains expanded chapters on capital and endowment campaigns, how to feel comfortable asking for money, how to recruit a team of people to help with fundraising, and how to build meaningful relationships with donors. In addition, this essential resource contains new information on such timely topics as ethics, working across cultural lines, and how to create opportunities for fundraising more systematically and strategically.

Fundraising for Social Change Atlantic Publishing Company

The bible of grassroots fundraising, updated with the latest tools and methods *Fundraising for Social Change* is the preeminent guide to securing funding, with a specific focus on progressive nonprofit organizations with budgets under \$5 million. Used by nonprofits nationally and internationally, this book provides a soup-to-nuts prescription for building, maintaining, and expanding an individual donor program. Author Kim Klein is a recognized authority on all aspects of fundraising, and this book distills her decades of expertise into fundraising strategies that work. This updated seventh edition includes new information on the impact of generational change, using social media effectively, multi-channel fundraising, and more, including expanded discussion on retaining donors and on legacy giving. Widely considered the 'bible of grassroots fundraising,' this practically-grounded guide is an invaluable resource for anyone who has to raise money for important causes. A

strong, sustainable fundraising strategy must possess certain characteristics. You need people who are willing to ask and realistic goals. You need to gather data and use it to improve results, and you need to translate your ideas in to language donors will understand. A robust individual donor program creates stable and long-term cash flow, and this book shows you how to structure your fundraising appropriately no matter how tight your initial budget. Develop and maintain a large base of individual donors Utilize strategies that pay off sooner rather than later Expand your reach and get your message out to the donor pool Translate traditional fundraising methods into strategies that work for social justice organizations with little or no front money Basing your fundraising strategy on the contributions of individual donors may feel like herding cats—but it's the best way for your organization to maintain maximum freedom to pursue the mission that matters. A robust, organized, planned approach can help you reach your goals sooner, and Fundraising for Social Change is the field guide for putting it all together to make big things happen.

Public Relations for Pharmacists Corwin Press

This expanded collection of letters is truly a time-saving starter kit, providing busy principals with easy-to-personalize templates on a PC- and Mac-compatible CD-ROM to revitalize your communications repertoire.

Grassroots Fundraising Journal Amer Pharmacists Assn

Whether you're a chiropractor, medical doctor, massage therapist, veterinarian, acupuncturist, or any other provider of a healing art, you've undergone intensive training and developed valuable skills. However, traditional healthcare curricula may not address the critical areas of business, finance and marketing. Proficiency in these skills – especially marketing – can help your practice succeed and allow you to genuinely connect with your communities. Written by a healthcare professional for healthcare professionals, Community Connections is the first in a series of books designed to bridge the gap between what you're taught in school and how to market a practice in the real world. Using this collection of easy and affordable marketing ideas, any independent healthcare provider can forge a strong and genuine connection with potential clients, regardless of any previous marketing experience. This guide is all about building the unique relationship between a healthcare provider and the local community, while respecting the specific professional and legal issues inherent in that relationship. Whether you're a veteran in the healthcare industry or just getting started, Community Connections contains the valuable advice and practical marketing ideas you need—from the reasons most healthcare practices don't "market," to gaining a deeper understanding of yourself and your community at large. Discover how implementing easy and affordable marketing activities can expand the success of your healthcare practice.

Effective Fundraising for Nonprofits Greenwood Publishing Group

As nonprofit organizations face heightened scrutiny by the general public, donors, regulators, and members of Congress, the Third Edition of the essential book on the basics of fundraising provides new, up-to-date and valuable information that every fundraiser needs to know. With ethics and accountability being the primary theme of the Third Edition, this practical guide will continue to provide an overview of the field and give development staff, managers, and directors a platform from which to operate their fundraising programs. The new edition also provides much needed information on giving trends, computer hardware and software available for fundraisers, cost estimates and workflow timetables, and the importance of the Internet. This primer remains a must-have for anyone new to the fundraising arena.

The Fundraiser Guru John Wiley & Sons

This book was put together in the sincere hope that it will be of benefit to volunteers and volunteer programs everywhere. Since this could be considered a "how to" book, the author's personality has not been edited out of the text.

Healthy and Sustainable Fundraising Activities Corwin

Book & CD-ROM. According to the National Center for Charitable Statistics, there are over 1.4 million registered non-profit organisations in the United States alone. While the areas of focus may differ, one thing applies to each and every organisation: The challenges of running a non-profit are far reaching and unique. This book teaches you the basics, including how to: create a plan, fund a mission, recruit and keep volunteers, create and follow a budget, perform SWOT analysis, and more. You will also learn about performance measurement tools, taxes, management theories, accounting, public and government relations, insurance, fundraising, educational programs, sponsorship programs, legal requirements, consultants, lobbying, and ethics. Also included are strategies for working with the board of directors, managing conflicts of interest, hiring or firing, and other management issues. This book shows you how to overcome common obstacles, such as founder's syndrome, poor meeting attendance, and rapid staff turnover. You are also provided with real world examples and case studies that demonstrate both effective and ineffective management strategies. The companion CD-ROM contains worksheets, checklists, and tables to aid in your non-profit management strategy.
