MORROW LOGAN

Rapture Vintage

From the bestselling author of *The Deep End of the Ocean*, a moving story about the modern family and making it work second time around. It is True Dickinson's forty-third birthday and her best friends have gathered in this snowy night on Cape Cod for a celebration. She has been widowed for eight years, but she and her young son, Guy, have created their own self-sufficient little community of two. And True has her hugely successful small business, *Twelve Times Blessed*, her friends and, for better or worse, her mother. But as she celebrates her birthday, which just happens to fall on Valentine's Day, it seems as if everyone in the world is coupled up but her. Her stable life suddenly seems vulnerable. Then she meets a man who is perfect in every way - except one. Hank Bannister is immediately attracted to True's beauty, her humour and, most of all, her composure. Never mind that she's ten years older than him. But the age gap seems like an eternity to True. Should she throw caution to the winds? And what will it mean for her son - and their safe family unit? *Twelve Times Blessed* is the story of one extraordinary year of transformation in a woman's life., and of trying to reconcile the desires of the heart with the responsibilities of family life.

Ballet Carousel

The young Julien Parme is in love with Mathilde, and is intent on telling her so. But when Julien is forced to stay at home the night he plans to tell her, and worse, when the news of his mother's decision to re-marry is cruelly passed on to him as hear-say, he

decides to leave his home to become a writer. But first he must find Mathilde.

Joan Miró, 1893-1983 Drawn and Quarterly

Each sister has a different story to tell, which one will be your favourite? So when she discovers her favourite pony, Caramel, needs her help she has to do something. But why does Lawrie, the moodiest guy in the school, keep getting in her way? Can Coco rescue Caramel in time or is she riding into deeper trouble? Cathy Cassidy you'll love her www.cathycassidy.com

The Plumed Serpent's Gold Skyhorse

Which of us, when finding ourselves in the presence of a painting, has not sensed that we lack the keys to decipher it? We feel an emotional response, but the work still seems to evade our understanding. Françoise Barbe-Gall combines a nuanced understanding of the way viewers respond to paintings with a rich knowledge of their context and circumstances of their creation. The result is like a tour of a dazzlingly eclectic museum in the company of a gentle yet authoritative guide. She takes as her point of departure the impressions that we all feel when confronted by a canvas and takes us on a voyage of discovery fired by her own passionate enthusiasm for the subject. What is the painting's relationship with the real world? Has the artist idealized nature, or distorted it? Did they want to shock the viewer, or provide consolation? With a clear approach and straightforward yet subtle analysis, the meaning of each work slowly becomes clear. From Raphael's penetrating character study of Castiglione, through Hopper's cinematic take on the wee

small hours of the morning Barbe-Gall begins by covering a number of ostensibly realistic works, made from the stuff of everyday life. Going in quite the other direction, she looks at the way paintings can express moments of heightened reality, from the perfection of Boticelli's Primavera to the arresting glance of Vermeer's girl with the Pearl Earring. She discusses paintings that distort the visible world (Parmigianino's Madonna with an improbably long neck to Dali's melting clocks) and those that sow confusion to make us more vigilant and pay closer attention to the real world (Cezanne's depiction of a forest glade, or a mysterious fifteenth century altarpiece). Questions of history, style, iconography and composition are not neglected and are dealt in context of the paintings she discusses.

The Angel of the Bridge Harper Collins

Penny Conley is still recovering from the untimely death of her husband. But she and her five-year-old daughter, Willow, seem to be thriving in their West Virginia suburb. Penny works for esteemed archeologist Simon Van Etton, who is like family to her—even Simon's great niece, Diana, has become one of Penny's closest friends. So when a distraught Penny calls Diana late one night, Diana is the one who comes running. But just as Diana arrives, the house explodes...leaving Penny in a coma, though sparing Willow any harm. As Diana and Simon try to figure out what happened—and why—two shocking discoveries are made: First, investigators find a bomb in Penny's basement. Then, new facts about Penny's dark past come to light. Determined to find the truth about her friend and protect Willow, Diana keeps digging for clues. But someone is following her every move—and is willing to kill to make sure that Penny's secrets stay dead and buried...

Cuddle Up Taschen

Beautifully written and deeply compassionate, *Rough Music* is a novel of one family at two defining points in time. Seamlessly alternating between the present day and a summer thirty years past, its twin stories unfold at a cottage along the eastern coast of England. Will Pagett receives an unexpected gift on his fortieth birthday, two weeks at a perfect beach house in Cornwall.

Seeking some distance from the married man with whom he's having an affair, he invites his aging mother and father to share his holiday, knowing the sun and sea will be a welcome change for. But the cottage and the stretch of sand before it seem somehow familiar and memories of a summer long ago begin to surface. Thirty-two years earlier. A young married couple and their eight year-old son begin two idyllic weeks at a beach house in Cornwall. But the sudden arrival of unknown American relatives has devastating consequences, turning what was to be a moment of reconciliation into an act of betrayal that will cast a lengthy shadow. As Patrick Gale masterfully unspools these parallel stories, we see their subtle and surprising reflections in each other and discover how the forgotten dramas of childhood are reenacted throughout our lives. Deftly navigating the terrain between humor and tragedy, Patrick Gale has written an unforgettable novel about the lies that adults tell and the small acts of treason that children can commit. *Rough Music* gracefully illuminates the merciful tricks of memory and the courage with which we continue to assert our belief in love and happiness.

Jackie Loves Johnser OK? HarperCollins UK

The highly successful series of graphic novels co-published with the Louvre museum in Paris ("Glacial Period", "Museum Vaults") continues with its next outstanding graphic novel. This time, the author invites us on a guided tour of the museum... by night... when the works of art come alive. Our guide: a deaf night watchman who somehow manages to communicate with the souls of those ethereal and timeless works of art. A visual tour de force with a strong edge of the frighteningly fantastic.

On the Odd Hours Blackbirch Press, Incorporated

Contains fifteen stories about the sun, the moon, and the stars from different cultures and countries, including the North American Indian, ancient Greece and Rome, France, Australia, and Spain.

32 Stories Barefoot Books

An utterly irresistible first novel: The story of two sisters, the

yearning to disappear into another country, and the powerful desire to return to the known world. Linno is a gifted artist, despite a childhood accident that has left her badly maimed, and Anju is one of Kerala's most promising students. Both girls dream of coming to the United States, but it is Anju who wins a scholarship to a prestigious school in New York. She seizes it, even though it means lying and betraying her sister. When her lie is discovered, Anju disappears. Back in Kerala, Linno is undergoing a transformation of her own. But when she learns of Anju's disappearance, Linno strikes out farther still, with a scheme to procure a visa so that she can come to America to look for her sister and save them both.

Starry Tales NBM Publishing

Describes the lifestyle of a middle-class Brazilian boy, offering a brief introduction to the country's climate, food, and quality of life.

Julien Parme. Florian Zeller Simon and Schuster

Who killed twenty-four-year-old Priscilla Hart? This highly motivated, idealistic American student had come to India to volunteer in women's health programs, but had her work made a killer out of an enraged husband? Or was her death the result of a xenophobic attack? Had an indiscriminate love affair spun out of control? Had a disgruntled, deeply jealous colleague been pushed to the edge? Or was she simply the innocent victim of a riot that had exploded in that fateful year of 1989 between Hindus and Muslims? Experimenting masterfully with narrative form in this brilliant tour de force, internationally acclaimed novelist Shashi Tharoor chronicles the mystery of Priscilla Hart's death through the often contradictory accounts of a dozen or more characters, all of whom relate their own versions of the events surrounding her killing. Like his two previous novels, *Riot* probes and reveals the richness of India, and is at once about love, hate, cultural collision, the ownership of history, religious fanaticism, and the impossibility of knowing the truth.

The Pirate's Legacy Stewart, Tabori and Chang

After all their adventures, Louise and Benjamin are even more determined to find their father. But nothing can guide them through the mayhem that erupts upon their arrival in the great Mayan city of the Plumed Serpent god Kukulcan! Now they face swor

You Can Run... Usborne Pub Limited

Ballel is growing up in Senegal, a predominately Muslim, western African nation that borders the Atlantic Ocean.

Tales from the Town of Widows Flammarion ; [New York] :

Distributed in North America by Rizzoli International Publications When a high school student's body is found and her boyfriend goes missing, tough-as-nails former sheriff Cork O'Connor is forced into the center of an eerie mystery with a shocking twist in this "vivid and realistic" (Booklist), Anthony Award-winning novel from New York Times bestselling author William Kent Krueger. When the body of a beautiful high school student is discovered on a hillside four months after her disappearance on New Year's Eve, all evidence points to her boyfriend, local bad boy Solemn Winter Moon. Despite Solemn's self-incriminating decision to go into hiding, Cork O'Connor isn't about to hang the crime on a kid he's convinced is innocent. In an uphill battle to clear Solemn's name, Cork encounters no shortage of adversity. Some—like bigotry and bureaucracy—he knows all too well. What Cork isn't prepared for is the emergence of a long-held resentment from his own childhood. And when Solemn reappears, claiming to have seen a vision of Jesus Christ in Blood Hollow, the mystery becomes thornier than Cork could ever have anticipated. And that's when the miracles start happening.

Atlas of Unknowns Margaret K. McElderry Books

There seems to be a relaxed playfulness about Miro's symbolic language. hovering between childishly maive arabesques and primaeva forcefulness, his symbols are not only cheerful, ironical and poetic, but they also express traumatic anxieties and aggression. The world of Miro's art is not simply our visible reality, but the hidden world of magic and mysticism. This book contains a representative collection of his works from six decades, giving a clear impression of miro's high rank among 20th century artists.

The Big Book of Beautiful Babies Blackbirch PressInc

The setting is a New York apartment where two long-estranged lovers try to resuscitate their passion. Kay is old enough to be skeptical about men—this man in particular—but still alert to the possibility of true love. Benjamin is a filmmaker with an appealing waywardness and a conveniently disappearing fiancée. As the two lie entwined in bed, Susan Minot ushers readers across an entire landscape of memory and sensation to reveal the infinite nuances of sex: its power to exalt and deceive, to connect two separate selves or make them fully aware of their solitude. Honest and

unflinching, the result is a hypnotic reading experience.

Riot Vintage

This award-winning collection of 7 traditional tales from around the world shows children the importance of looking beyond appearances. Niamh Sharkey's distinctive illustrations throughout will delight young readers.

Tales of Wisdom and Wonder Frances Lincoln

Presents thirty-two stories that deal with a variety of characters, including a shy novelist who seeks out the girl he was obsessed with in high school, a lonely woman who loses her job, and high school outcasts.

Twelve Times Blessed Pushkin Press

Identified as a former Chechen guerrilla fighter, Najah has been arrested by the FSB, the successor to the old KGB, and sent to a prison colony in Siberia - the infamous gulag. Isolated, hated by

the Russian guards, the Insider is far from the luxury life her cover inside organised crime afforded her. Meanwhile, the power plays continue between the mafia, politicians and the intelligence services of Russia, the United States ... and elsewhere.

Rough Music Ragged Bears USA

Provides information on the culture and history of ancient Greece from Minoan times to the coming of the Romans.
